

STRATEGIC SELLING SKILLS

12 July 2024 10:00 AM - 12 July 2024 05:30 PM

Brief Overview:

But in today's highly competitive market, you have to be better than ever before. Not only do you face stiffer and more knowledgeable competition, but like most professional people you also have less and less time to spend with customers. This is true, whatever kind of Marketing activity you are involved in. A recent survey reveals that a company's marketing people spend only two and a half hours a day in front of prospects. The balance of the time involved traveling, waiting, doing paperwork, and other job-related tasks.

It is evident that in today's marketplace, you have to make every minute spent with the customer count. The more skillful you are with your prospects the more sales you will make. The result? More satisfied customers for your company and more success for you. This highly interactive One Day Workshop will help you make those sales by giving you the opportunity to learn some new and very powerful skills and also improve techniques that you use today. Thousands of professionals have benefitted tremendously from this program and have improved their sales performance apart from sharpening their communication skills and honing their personality too.
