EXPANDING HORIZONS, ENRICHING MANAGEMENT EXCELLENCE

For over six decades, Madras Management Association (MMA) has been conducting impactful programmes in and around Chennai, promoting professional management and leadership excellence. In today's rapidly evolving global landscape, MMA recognises the need to extend its reach beyond metropolitan boundaries to the emerging growth centres across Tamil Nadu.

As part of this strategic vision, MMA has been actively establishing local chapters in fast-growing towns to support industries and SMEs with world-class management practices. With ten chapters already functioning successfully across Tamil Nadu and Puducherry, MMA is proud to inaugurate its 11th Chapter at Vellore.

The launch of the Vellore Chapter marks a significant step towards taking management thought leadership closer to the heart of industrial and entrepreneurial activity in the region, benefitting local businesses, professionals, and aspiring managers alike.
