SPEAKER

DR ALAGIRI
GOVINDASAMY

Dr. Alagiri Govindasamy has 29 years corporate and entrepreneurial experience & managing his deep tech start-up companies from Healthcare and Education domains. He is running his boutique Industry 4.0 (Digital transformation) consulting initiative and delivered many niche digital solutions, ERP implementations and SCM turnaround solutions for signature clients across the globe. He secured a good sense of cultural inclusivity by virtue of extensive overseas experience (12 years) and worked from 14+ countries for various strategic assignments.
